

Tang::Program::execute

```
graph LR; A[Tang::Program::execute] --> B[Tang::ComputedExpression  
CompiledFunction::getPc];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'Tang::Program::execute'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains two lines of text: 'Tang::ComputedExpression' on the top line and 'CompiledFunction::getPc' on the bottom line.

Tang::ComputedExpression  
CompiledFunction::getPc
