

Tang::ComputedExpression
Error::makeCopy

```
graph LR; A[Tang::ComputedExpression  
Error::makeCopy] --> B[Tang::ComputedExpression  
Error::ComputedExpressionError];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and contains the text 'Tang::ComputedExpression' on the top line and 'Error::makeCopy' on the bottom line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box has a white background and contains the text 'Tang::ComputedExpression' on the top line and 'Error::ComputedExpressionError' on the bottom line.
