

Tang::Program::execute

```
graph LR; A[Tang::Program::execute] --> B[Tang::ComputedExpressionString::dump]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'Tang::Program::execute'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'Tang::ComputedExpressionString::dump' on two lines.
